PAPER NO. 80-1 VOL. I

MEMORANDUM FOR THE SECRETARY OF STATE

Subject: Middle East Radio Network

—DO NOT DESTROY—

1. In accordance with [redacted] request
dated 8 July 1946 (attached), this Organization has undertaken

will continue to require the expenditure of considerable sums
of money. The commitment was undertaken due to the realization
that both State and Central Intelligence Group official communi-
cations could be handled thereby with desired efficiency, with
marked economy compared with normal commercial cable costs, and
especially with greater security against interruption of service
during crises.
